Pocket LED Warning Light

M15-B

Description:

Utilizing aircraft grade aluminum and 3 AAA batteries, Railhead is proud to introduce our M15 pocket LED Warning Light. Two wide angle LEDs provide 360 degrees of visibility for up to 275 hr on fresh Alkaline batteries, giving you the longest battery life of any small blue light on the market. With exceptional battery life, strong integrated magnet and safety strap, the M15 is the perfect tool for your blue flag protection safety initiative.

Features:

- **Easily fits in pockets**
- **Omni-directional frosted lens**
- **Strong magnetic base**
- **Longest battery life**
